WINTER 2019

Central Model Senior School

www.centralmodelseniorschool.ie

Dear Parents and Guardians, We have had a very successful term here in Central Model Senior School!

In October we were proud to celebrate 160 years of learning in our school. The children completed beautiful art and project work and we were delighted to see so many parents and past-pupils at our celebration in the hall.

Rugby, Gaelic football, running and swimming are keeping us fit! All classes visit the Central Library in the llac Centre regularly. Some visited the LAB gallery to work on their Visual Thinking Skills. We are lucky to have so many wonderful amenities on our doorstep and we love getting out and about to learn. We wish to thank our Parent Nominees on the Board of Management, Audrey Fitzgerald and Sebastian Skomra.

Christmas carol rehearsals are in full flow and we look forward to seeing you all!

Happy Christmas and thank you for your continued support.

Deirdre Gartland, Principal

6th Class: Ms. Gerrard and Mr. Dolan

6th class has had a great first term this year. As well as learning about many diverse topics in class they've been developing their sports skill through the GAA lessons. Our 6th class Restorative Practice facilitators are now helping on yard with the younger classes and in Central Model Infants' School. The leadership and maturity our 6th class have shown will most certainly stand to them as they move towards secondary school next year.

Home School Community Liaison: Ms. Connolly

This has been an exciting term of activity for Central Model Senior School famililies. Some of the courses on offer this term included Pilates,

International Cooking and Non-Violent Resistance Training. Parents and guardians have also helped teach the game Rummikub to the 2nd classes, taken a walking tour with local historian Terry Fagan and come along to our regular Thursday coffee mornings.

Next term we're looking forward to beginning our Parents' Book Club and a course on Restorative Practice. Thank you for your continued support. If I can be of any help to you please don't hesitate to contact me.
